

# SAEINDIA Two Wheeler Conference 2017

ASM Technologies Ltd has been providing engineering services to the automotive industry ever since the formation of the company. Automobile is one area which is seeing tremendous growth in terms of Technology and Green revolution; be it in 2 wheeler or 4 wheeler. ASM Technologies Ltd. actively participates in events organized by Society of Automotive Engineering (SAE) from past 2 years, and is very enthusiastic to be a part of this revolution in the automobile industry.

Society of Automotive Engineering (SAE) is India's leading resource for mobility technology and comprises of who-is-who of the Mobility community, which includes Engineers, Executives, Government Officials, Academics and Students from the automobile industry.

ASM foresees many opportunities to be contributor in this technological and green revolution in the automobile industry. ASM conducted first Two wheeler conference which was hosted in Bangalore. ASM's commitment towards mobility and business growth was the main focus to pitch in as one of the Gold sponsors for this event. This was a great opportunity to meet top mobility leaders, promising budding engineers, to get the business acumen, understand the know-how and current trends in the industry and future developments in the industry.
