Notes on Segment Information :

1. The Company is in the business of Engineering and Product R&D services. The Company's primary reporting segment is geographical as the revenue in non software related areas are not more than 10% of the total revenue.
2. Assets and liabilities used in the Company's business are not identified to any of the reportable segments. Management believes that it is not practicable to provide segment disclosures relating to total assets and liabilities since a meaningful segregation of the available data is onerous.
3. The group has identified Engineering Services and manufacturing as a secondary segment

Notes :

The above financial results have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") 34 Interim Financial Reporting prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time. These results have been reviewed by the audit committee and were taken on record by the Board of Directors at their meeting held on February 12, 2025. - 6- ASM Digital Engineering Private Limited, UK - Step down subsidiary (from November 1, 2023)
- 7- ASM HHV Engineering Private Limited - Jointly controlled entity
- 8- ASM Digital Technologies Co Limited, Thailand - Step down subsidiary

3. The preparation of financial statements in conformity with Ind AS requires the management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amounts of incomes, expenses and capital employed.

R V Forms and Gears LLP ("RVFC") has incurred substantial losses and its net worth is completely eroded, the management is of the opinion that the going concern assumption is appropriate and no impairment need to be recognised on the goodwill and it is also reasonably certain that deferred tax asset recognised will be adjusted against the future taxable profits.
