Commenting on the development, **Mr. Rabindra Srikantan, Managing Director**, said “The focus on design led manufacturing and digitisation has provided us strong growth in the quarter and nine month ended financial year. *We as a company have always thrived to provide best services to our clients, which has enabled us to consistently engage with them over the years. The demand continues grow for our services across the globe, however we are closely monitoring potential economic headwinds. We shall continue to pursue all such efforts to increase the company’s operational efficiency and revenues. We continue to reward our shareholders and look forward to their continued support*”.
